Prayer to the Ark of the Holy Covenant

On April 1, 2018, Our Lord said:

"The Sacred Ark of God reveals Itself to the world in the darkness, so that souls may come out from the abysses and find the Light of the Infinite, where Peace and the triumph of God reign. (…)

If you only do this prayer, simply with purity of heart and of intention, you will be receiving the Light of the Sacred Ark of God, and thus, you will approach the Divine Purpose, which will renew you, time and again, especially in times of crisis.

Call the Sacred Ark of God with reverence, with the inner respect It deserves, because you will be knocking at the door of the Celestial Father through this sacred Key that I gave you today.

Also to be found in the Sacred Ark of God is the Spiritual Heart of Christ, as well as the sacred symbol of the Chalice, that holds not only the Blood that was shed by Jesus on the Cross, but also the Divine Luminous Body of Christ, in the form of the Eucharist. Likewise, the Tablets of the Law and of the first Commandments that our Eternal Father Himself dictated to Moses, as well as the new Laws that will govern Earth and the future humanity after the Apocalypse."

Sacred Ark of God,
which emanates life,
unite to our essence.
which awakens to the new life.

Amen.
