

Children of Mary

The commitment to wear the
Mantle of the Divine Mother

What is to be a Child of Mary?

On August 8, 2007, Our Lady, the Virgin Mary, presented Herself as Mother of the Divine Conception of the Trinity. She appears to consecrated visionary monastics of the Grace Mercy Order. Throughout these years, the Most Holy Mary has built a Work of Peace through prayer and selfless service, that continues to grow and expand throughout the world.

The Virgin Mary Herself has guided and led the construction of this Work. At Her request, Association Mary, Mother of the Divine Conception, was founded, which supports all the work that is carried out by the Divine Messengers,* from ecumenical prayer meetings, dissemination of transmitted messages, formation of prayer groups throughout the world, to the construction of Marian Centers, and also the consecration of those whom the Virgin named as "Her Children," the "Children of Mary."

**Since 2013, Christ Jesus and Saint Joseph have also been transmitting messages through the visionaries of the Grace Mercy Order*

In one of Her Apparitions, our Most Holy Mother expressed Her wish of consecrating "Children of Mary" through Association Mary, Mother of the Divine Conception. This consecration has the purpose of sealing a commitment between the souls and the Virgin Mary.

The Children of Mary receive a sky-blue T-shirt that represents Her Mantle. They are consecrated by the Divine Mother Herself during Her public apparitions, and thus, they commit themselves to consciously accompany, in prayer, the Work that the Most Holy Mary is carrying out in the world.

"For this reason, I have asked you from the beginning to wear the sky-blue color, for you to carry the protection of My Mantle upon your bodies. " [Virgin Mary - December 24, 2013](#)

"I place My Mantle upon you and ask you to carry it in the most difficult moments, and even when the world is afraid to proclaim its faith, may you keep My Mantle upon your bodies. It will protect you and sanctify you, and it will bring peace to the whole Universe. " [Virgin Mary - November 25, 2015](#)

Together, we are now more than 3,500 consecrated Children of Mary throughout more than 30 nations!

Why be a Child of Mary?

Symbols of Light upon the Earth

To be a Child of Mary is to send a response to the Universe that we want a different world: we want peace, love and fraternity to reign in the hearts of all human beings! And that we not only aspire for this and expect the transformation to happen in others. The consecration is our "yes." And when we say this, we are saying to God that all the best we aspire for, for this planet, will begin within each one of us!

Prayer, when done with love and sincerity, transforms us.
And when we change, we can also change the world around us.

To be a Child of Mary is to consciously collaborate for a better world, it is to build the Peace that we seek so much, through our prayers, but also through our lives.

How do I know I should consecrate myself?

The inner call to consecration as a Child of Mary comes from the heart.

In the earlier consecrations, the Most Holy Virgin Herself would summon Her children, who should consecrate by their names. After a while, She began to consecrate all those who feel the inner call, to be a Child of Mary, within their hearts.

In order to know if you must be a Child of Mary, listen to the breath of Mary within your heart. Listen to the voice of your soul, that may call you to become a soldier of Peace during these times, while the planet needs so much in order to find God, through a feeling, an inner certainty, an impulse toward transformation.

To carry the mantle of Mary throughout the world is to announce to everyone that it is possible to attain Peace and Love. And this happens by emitting this "yes" to God, by consecrating oneself as a Child of Mary.

The Consecration to our Divine Mother leads us towards awakening!

- The awakening of our spiritual consciousness.
- The awakening of our Mission.
- The awakening of peace and fraternity.
- The awakening of love for the planet and nature.
- The awakening of service and hope.
- The awakening of the prayer from the heart.
- The awakening of union with God and all His Creation.

7 Principles of Consecration

transmitted by the Most Holy Mary

- **To live a life of prayer.**
- **To be a peacemaker.**
- **To commune daily with Christ.**
- **To carry out an act of mercy, each day, by serving someone who is in need, or taking care of the sick, or visiting those who are in prison, or helping those who are lost because of drugs.**
- **To pray a Mystery of the Holy Rosary for peace.**
- **To regularly confess faults to the Sacred Heart of Jesus, with a priest or in deep solitude.**
- **To welcome the pilgrim, giving them a place to rest.**

"By working in your daily consecration to My Immaculate Heart, you will allow Your Heavenly Mother to intercede for humanity in these times

The Most Holy Mary - April 21, 2016

"I come for you to commit yourselves to live the Will of God by means of actions of charity, prayer and service to your fellow beings.

This is the vow that you will make with Me today, knowing that the expression of the Love of God, through the prayerful hearts and the serving souls that are united to Christ, is necessary upon this entire planet. "

Apparition of Mary - November 25, 2017

How to become consecrated?

Be a part of this Marian army

We request that all those who feel this call to serve Our Celestial Mother, in their hearts, to contact the secretary of the Children of Mary.

On the day of each public apparition, a meeting is held at the prayer venue where representatives of the Grace Mercy Order explain more deeply about what it means to be a Child of Mary. And thus, they prepare the hearts to experience this moment.

The meeting is held two hours before the beginning of the Prayer Event.

***"The children of Mary are a symbol of the Love
of the Heavenly Mother that expands upon the whole Earth."***

The Virgin Mary - July 13, 2016

A path of light...

to the Divine Maternity of Mary

"Feel the Celestial Mother by your side, and shelter Her within your heart, as your Holy Mother, but do not remain only in this feeling that fits in your human heart.

Approach the Consciousness of Mary and let Her reveal Herself before you, as the Mother of all things, as a living part of God, as the love that makes love be born, as the Mother, not only of the One who opened the doors for a new humanity, but also the Mother of all of those who must be reborn through His Love in order to reach in life the archetype of Her first Son. "

The Most Chaste Saint Joseph - March 12, 2016

The Virgin Mary,

Our Celestial Mother

"As the Love of God could not only stay within Himself, the Creator gave life to this Most Pure Principle, thus creating a Divine and Universal Consciousness that encompasses more than a small body or material consciousness.

Mary is the Divine Womb, She is Life, She is what gives birth to the creatures of all Kingdoms and sustains them throughout their entire evolution.

Mary did not come from humankind and then ascend to Heaven; Mary descended from Heaven and, through Her infinite Love, became flesh among humankind, to accompany the Son of God.

Mary is not a part of humanity: it is humanity that is a part of Mary."

The Most Chaste Saint Joseph - February 29, 2016

The Faces of the Most Holy Mother

Revealed through Her Apparitions

| Mary, Mother of the Divine Conception of the Trinity

"The Most Holy Virgin held a rosary of 72 beads within Her hands, which had a silver cross with equal sides, a symbol of the new humanity. She wore a rose colored tunic and a green mantle, both very clear, almost transparent, representing cosmic healing for all souls."

| Mary, Rose of Peace

"She was wearing a white tunic and a light blue mantle. Close to Her heart, upon Her shoulder, clasping this mantle, there was a white rose, as well as a white rose in Her right hand, as if She were offering it to us."

This was the way in which Friar Elías del Sagrado Corazón de Jesús described Mary, Rose of Peace, whose Face was revealed to the visionary for the first time on the eve of Her second cycle of daily messages, which began on March 1, 2015.

Our Lady of the Poor

Patroness of the Children of Mary

In 1933, in Belgium, Mariette Becco, a 12-year-old girl, a daughter of a very poor immigrant family, witnessed eight Apparitions of Our Lady, with the Face of Our Lady of the Poor.

In 2017, during a public apparition of the Most Holy Mary, to the visionaries of the Grace Mercy Order, the Virgin Mary came as Our Lady of the Poor, and blessed the House of the Children of Mary, in Carmo da Cachoeira, Minas Gerais, Brazil, asking for this Face of Hers to be the protector and guide of all Her consecrated children.

Then, responding to Mary's request, the House of the Lady of the Poor was founded.

Due to the fact that Carmo da Cachoeira is a small and simple city, the Children of Mary gather there to pray with the poor, to serve the local community, to form family prayer groups, to participate in online prayer meetings, to go and visit the Marian Center of Figueira, among other service activities and daily liturgies.

This is the House of the Children of Mary: a place where, together, we learn to serve, we learn to bring the presence of Our Lady, not only to this city, but everywhere we go, throughout the four corners of the world.

"I am the Lady of the Poor and I want you, children, to adopt this Face of Your Mother, so that you may work with It within you, day by day, because, through the Lady of the Poor, I bring to you and to the world the essence of the Compassion of God."

"Today, children, I wish that, on this day of renewal of vows with the Evolutive Plan of God, you may be as your Mother of the Poor, so that in this cycle, just like Me, you may find the need for help everywhere."

Virgin Mary, March 12, 2017

Act of Consecration

to the Divine Heart of the Celestial Mother

Dear Celestial Mother,
today I consecrate myself to Your Divine Heart
and I give You my little heart
and my patient soul
so that, in Your Glorious Kingdom of Peace,
I may find the strength to walk through life,
love for my consciousness,
surrender to my offering,
forgiveness for the past,
redemption for what I still must transcend
and mercy for this world.

Amen

Campaign for *peace*

One Divine Mission. One Heart!

**An international movement that promotes initiatives for the experience
of peace and love, stimulating the life of prayer,
fraternal coexistence, charity
and selfless service for the common good.**
