4 May love be the pathway that will convert the impossible. May love be the perfect balm to bring peace.

5 Search no longer for the chaff in someone else's eye. Judge no longer, criticize no longer. Be merciful as I Am.

6 Blessed are they who know how to be silent in order to bring peace.

7 May peace be in your heart so that you may see God within you.

8 My Love, which is the Love of My Father, is in everything, awaiting reparation and healing.

9 Blessed are they who love from the heart, because their own love will show them the path.

10 Seek the flame of hope in God and within yourselves, because in this way the most critical situations will be alleviated.

11 Be that hope which renews faith and builds the bridges of love between hearts.

12 It is for the essence of the souls of the world that I pray every day, at the foot of a luminous cross.

13 When you pray from the heart, your voices are like melodies that resonate between the dimensions and reach the Celestial Altars.

14 Enter into My Heart of Peace in a sincere prayer, in a true prayer, like a confession between Mother and child.

15 My Life is like a great mirror that reflects upon souls the precious Will of God.

16 Become silent so that, in communion with silence, you may listen to the Voice of the One who, even having manifested the Word, speaks through silence.

17 Feel My Heart within your heart, and confirm your faith even more.

18 Never tire of providing love and forgiveness, so that you too may receive love and forgiveness.

19 Be simple in everything to the point of loving with reverence each detail that is presented in your lives.

20 May your heart be pure, a human and divine heart, where the Spirit of God can dwell and guide your life at each instant.

21 Feel within your heart the Kingdoms of Nature and give thanks that they are still here to serve Creation and the planet.

22 Remain day by day seeking humility in your prayers as well as in your tasks.

23 Keep vigil in prayer to see when the other needs you, even in silence.

24 I am with you in each prayer, uniting My maternal Heart with each word expressed as an offering of love.

25 Be sustained by the confidence of knowing that God loves you as you are and that, in spite of the circumstances, you must always do what is best.

26 May today, as good children of God, your lives experience the exercise of humility so that they can recognize that God is in all simple things.

27 The planet needs healing. Souls need healing. Cells need healing. Life needs healing.

28 May the sacred flame of faith teach you to overcome each moment and situation.

29 Live in the heart because in this way you will be able to recognize the divine purity that God holds in each creature.

30 Silence will be your best friend in these times and will open the doors of your heart so that you may find the bridge that unites you with God.

31 Let the Light of God transform your being and those spaces within you where light has not yet reached.
