WEEKLY MESSAGE, TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS:

Today I come into your lives as the Lady of Lujan, especially for all My children of Argentina who wait to receive me in these coming days.

Dear children of Argentina, I have all of you inside of My Maternal Heart and I invite you to pray for all the causes that day by day are generated, especially in the Province of Buenos Aires.

The Lord sends me to embrace between My arms each Argentine child because as Mother of Peace I want the best for you. If you dear children of Argentina and the entire world, pray for this beloved nation, I will be thankful one time more because in this way you will permit the Divine Mercy of Jesus Christ to come closer to each heart in need.

You My children must consecrate in this last time each one of the nations to the Heart of God, so that they may be guided by the Holy Spirit and His Seven Gifts. I will give thanks to all My children who will put the nation of Argentina in their supplications everyday.

As Mother and Queen of Peace I will be waiting for all My children of this country on the day of the 18th of December of 2012 in the city of Buenos Aires to pour again all of the Immaculate Love that I am feeling for you, and on the day of the 19th of December of 2012 I will be with you in a special apparition in the city of La Plata in the Province of Buenos Aires.

All of My Immaculate Heart will close an inner cycle for all of South Argentina.

Dear children, I will be thankful to all for your response because the mana of life, that which descended over all the people of the desert, will be present in these days as the Christic Spirit of Life through the Most Sacred Heart of Jesus.

Now my children, My Maternal Heart gathers all of you in the Marian Center of Figueira on the 9th and 10th days of December of 2012 so that you will accompany me through the prayer of the heart in an important prepatory task for this last cycle of the end of the year.

It is a task that I will realize as an Instructor Mother which will form your hearts so that then, above all that may happen, it may be the majority of the time in My Peace.

For this My children, the reason of My arrival with anticpation has a celestial reason, for this it is important that your hearts be unified to My Divine Purpose of Peace. Know that the world in this last time is accelerated and that one part of humanity, a great quantity of My children, do not stop to enter into prayer. Each tie that I descend from Heaven My Heart allows for a new soul to discover love, so that it may be returned to the path that had been lost.

Dear children, God sends me to choose the children that, through this task, will announce all the messages that I have been dictating for so much time. For this you must listen to My words and bring them more than anything, to your hearts so that the seed of coversion may form you as precious and redeemer souls that are united to the Heart of My Son.

You must love that which God has manifested as Will, and this will depends on all of My children, those that read My messages every day and in this way unify themselves to Me through the answer to My requests.

That which comes from Heaven is full of the essence and the divine spirit and this converts itself into words so that it may be heard for all.

When I say to you "I want, dear children…" it is God that is revealing His Magnificent Will, for this you must medítate if in truth your hearts are hearing my words. If this was so, your lives would already have intiated the path of redemption.

Dear children, love much during all of this day, but love so much more from your essence, more than from your thoughts. Remain in the Heart of God so that My Son may accompany you in this definitive time.

Humanity is already living the time of its own election, the time to know which path to take.

For this I pray for all of you.

I thank you for listening with your heart to all of My calls.

Maria, Mother of the Divine Conception of the Trinity.
