**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Divine Patience is the gift that allows you to understand with the heart and with the soul the mysteries of God. This will free you from judging the precepts that the Divine Faith awakens in all the souls.

Dear children, the best path to know God is to live under His Immense Love so that your hearts may discover the true devotion to Him. The path of faith builds hope and allows you to feel the mysteries of the Father, those that until now have been distant from humanity. For this reason, dear children, the devotion to My Immaculate Heart will raise you up to the Kingdom of the Heavens so that in the eternity of your hearts you may be able to feel the Living God, a God of all, amongst all.

Little children, your souls must be like silent pilgrims who walk in confidence and in faith towards the designs of God, and who emanate purity from their hearts towards the hearts of their brothers and sisters. The pilgrim lives in devotion to My Immaculate Heart and accepts to be in the Sacred Heart of My Son to begin to live an inner reconciliation. The soul of the pilgrim is the living flame that My Heart of Mother of Peace is igniting in all hearts.

Dear children, My mission with you is to bring you close to My Son and even more, to the ministry of His Divine Mercy. But for this to happen in all of you, you must be vigilant in prayer and in adoration to the Most Holy Heart of My Son so that the Peace of His Kingdom of Love will be able to reach all. Therefore, dear children, now is the time to mature the consciousness, the heart and the soul before God, not only in confession with My Resurrected Son, but even more in reconciliation and in fraternity among creatures. Thus, little children, the Plans of God will be manifesting themselves, first in the absolute faith of the heart and in the consciousness of all My children.

Walking in the life of prayer, the Mysteries of God will begin to be uncovered as a true feeling of faith in your hearts. In this way, My dear ones, you will help Me in the renovation of love and of truth in all My children when you unite to Me in prayer.

My Immaculate Heart is for each one of My children. This is why, I appear monthly to make the Will of God known to you. Now, in the call of the Celestial Father, He invites you to fraternize your hearts with all the hearts of the souls so that Christ may be able to renovate the life of humanity.

The first return of My Son will happen through the renovation of the devotion to My Immaculate Heart and for this all My children are called by My celestial voice to begin the path towards My Humble Heart.

I await you in love so that with Me you may penetrate into the Heavens with prayers, and peace may be able to descend over the hearts. As My Son of Nazareth has said, "I give you My Peace,

remain in My Peace."

Live with joy the presence of My Immaculate Heart amongst you.

Thank you for responding to My call.

Mercy for the whole world, Peace for the souls that listen to My Voice,

Mary, Mother of the Divine Conception of the Trinity
