DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am the Lady who unties all knots

Today, before you and the world, I again present Myself as the Lady Untier of Knots, so that souls may liberate themselves in these times from errors committed and thus, achieve peace.

I am the Lady who unties all knots

I have the celestial authority to untie even the impossible cases, so that in this way, the souls that are imprisoned within themselves know that the humility of My hands, along with the Angels of Liberation, may resolve these cases.

I am the Lady who unties all knots

With the Power of the Father, the Love of the Son, and the spiritual strength of the Holy Spirit, I untie the impossible causes and I make of each one of them a luminous present for God.

I am the Lady who unties all knots

Those who trust in My Grace are whole in Spirit and in the Divine Verb, and thus the paths open for them to experience their redemption.

With the help of Heaven and of the entire Universe, the most tightly tied knots are liberated by the swords of light of the holy angels, which give the Mother of God the already liberated ribbons.

I am the Lady who unties all knots

Through the faith of believers and devotees, the work of redemption is materialized, and many more knots are liberated in the planetary consciousness.

Come with Me and let us untie all knots, so that the doors to hope may be opened and thus, hearts may find again the Light of My Son.

I am the Lady who unties all knots

And your Mother and Lady Untier of Knots undoes the knots of consciousness; there is no being on this Earth that will remain without liberation.

I am the Lady who unties and dissolves the most difficult and impossible evils, so that Her children may be reborn in the faith and in the Love of God.

I am the Lady who unties all knots

Do not fear your prisons or the resistant knots in your paths; I send you the Angels of Liberation so that, with their swords, they may cut all which causes pain and incomprehension.

But only one door must be opened so that all knots may be liberated, and it is the door of the heart, where no impossible knot exists, because in there is God.

Live in the Lord and all knots will be liberated.

I am the Lady who unties all knots

Through Universal Mercy, your souls will be liberated from any spiritual captivity; implore for the power of your Lady Untier of Knots and instantly you will see your paths open up.

I am the Lady who unties all knots so that souls may achieve redemption and may victoriously live the forgiveness of the heart.

I am the Lady Untier of Knots and I invite you to invoke that divine power of liberation through this decree:

***Lady Untier of Knots,
Who liberates the ties of human inertia,
untie all the knots of our consciousness
so that Christ may reign now and always,
and for all eternity.***

Amen

A good vigil of liberation for all!

I thank you for accompanying Me.

Who blesses you always,

Your Mother Mary, Rose of Peace
