DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Trust in God and in His Plan beyond all things. Seek the foundation and renewal of love within yourself above all events, inside and outside of yourself.

The planet has already begun its period of purification, and your inner world will also see emerge those things that you have not wanted to see and alter within yourself.

Know that everything will happen for a higher good, for the establishment of a new life. And simply let your heart flow with the Laws that will begin to establish themselves in the world, in spite of their being invisible to the human eye, because they come from a universal and divine reality.

May this cycle be marked by faith and by the love for the Plan of God, in the certainty that every transformation occurs so that this Will may be accomplished.

Do not lose sight of this Greater Love, this purpose that comes from the Father and, with gratitude, focus your living heart on the present, going through each instant without losing the aspiration to love, without losing the hope that love is the first Law that will govern life on Earth.

Your Father and Friend,

The Most Chaste Saint Joseph
