**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

### **The Five Keys of Conversion**

Dear children, your souls are as walking pilgrims that must always seek God. Your feet lead you in search of the path of God. Your hands, always in prayer, uplift you to talk with God. Your hearts are like the fire that makes the light of the flame spring up so that it may illuminate your path.

Therefore, dear children, I am the Bird of Peace that comes from Heaven to indicate to you the correct pathway towards My Son. My Immaculate Heart surrendered Itself to the world so that souls may strengthen themselves in faith and in the love of the heart. My Purity shows you that it is possible to be eternally in God, just as your lives are here on Earth. The path for each of My children must be the constant aspiration to live in the Heart of My Son, who also offered Himself in life and in spirit for the redemption of the world.

In Christ can be found the strength so that the lives may be liberated from the obstacles and may be permeated by the Victorious Light of God.

With this message I want to tell you, My dear ones, that your hearts live and will live more in My Son when, in the faith of each heart, they may be able to see that the path to Paradise is possible for all.

To enter the Kingdom of My Son, you must live day by day the conversion of the heart. For this, dear children, I want to say that you must practice these five keys to Redemption and Forgiveness:

- Fasting done for love
- Charity towards others
- Prayer as a source of renovation
- Reading of the Sacred Gospel
- Confession with My Son.

This exercise will allow you to know, My children, at what point and moment is the conversion of your hearts. In this way, My dear ones, each one of you will be able to show yourself as a true soul of God, as a worthy son or as a worthy daughter of God.

It is time to repair the heart!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
