DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

All the meetings of prayer of July, which will be lovingly offered to the Celestial Hierarchy, will be accepted and recognized as important moments for the preparation of the next mission in Argentina.

In this sense, the meetings of prayer will be the most special moments so that souls, as a single group consciousness, may build the bridges of light that will raise them up to accomplishing the next goal in South America.

With special gladness and joy, the Sacred Hearts are now preparing so that in August, a special month for the whole Divine Hierarchy, an inner communion is established again with all the children in Argentina, who again will be gathered together in the name of Love to receive the Light and the Mercy of the Sacred Hearts.

The meetings, which will be carried out for the first time in Argentina during the month of August, will generate a definite spiritual impulse so that the bridge of contact with the Divinity may be maintained not only in Argentina, but also in its sister nations.

And so all the inner preparation, prayerful and organizational, that from now will be carried out by each server of the Plan, will help in the deepening and in the expanding of the Work of the Divine Hierarchy in Argentina.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
