WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FRANKFURT, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Unexpectedly, I meet you in Germany, after you visited Me recently in Medjugorje. The Mother of God returns your visit at a crucial moment for humanity, in which misinformation, chaos and fear overwhelm millions of My children.

For this reason, I come from Heaven, not only for a Germany that I love with all My Heart and for which I pray, so that it recovers the Purpose of God, but I also come for all of Europe and all of Asia, for the souls subjected and persecuted in war and by the conflicts invented by humankind of the surface.

I want to tell all My children that I am the Queen of Peace, that you seek My Heart, because My Heart is for you.

Germany, throughout the last years, has been a host country for the most helpless, but this is not enough, My children, it is necessary that the other nations of Europe and the world be host countries so that everyone may live as a more inclusive, fraternal and charitable humanity.

I pray every day that the most hardened hearts may be opened so that they may feel the most helpless and poor, just as your Heavenly Mother feels for them.

If this step of fraternity is taken by the great nations of the world, humanity will not experience more pandemics, it will no longer know pain.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
