Prayer of Reconciliation and Brotherhood among the Good Servers of Peace

Prayer to be recited every Tuesday
for the formation of the Light-Communities and for all servers.

May my hand never separate from the fraternal hand of my brother,
because for Christ I will grow and become a new being.

May my feet walk along side my brother,
because in Christ we will follow His steps of light.

May my eyes always look to Heaven,
because together with my brother we will search for the Eternal Grace of God.

May my being give itself entirely to the neighbor,
because the New Humanity will be born with Christ.

In You, Lord, is my strength.
By you, Lord, I will be redeemed.
With you, Lord, we will fulfill the Plan of God upon the entire Earth.

May Brotherhood emerge among beings.
May Fraternity be the torch of the new apostles.
May Peace be established in each inner essence.

Amen.
