DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

There are situations in the human being that only love can solve. But sometimes that love is not so expressive or welcoming, but rather it is a love that corrects and prevents many things.

This does not mean that love is not present in the one who, helping their neighbor or solving a situation, uses an act of prudence as a measure.

In this sense, love is also to say "no" for in that "no" there exists a reason or a cause that goes beyond occurrence or even some spiritual situation.

At this moment of humanity, love is what will protect beings from a great many dangers, and on many occasions, it is necessary that this love impose things so that balance and peace do not dissolve.

In this love, apparently neutral, a situation can be maintained under some protection, which does not mean that love is cold or indifferent; on the contrary, love will help protect the consciousness from the very dangers that it may experience.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
