APPARITION OF THE VIRGIN MARY, IN THE CITY OF SANTIAGO, CHILE, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today I consecrate this land, a promise of God and His Divine Kingdom.

Today I consecrate your hearts, a project of Christ, the Redeemer.

Today I place My children of Chile in My arms, a project of My maternal Love.

Because of all this, dear children, today I present you with the Plan of the Creator for this part of the world, for this nation that must carry out the most infinite aspiration of God which comes from His Most Holy Heart, a project that will be accomplished with the help of each of you.

Today a new horizon can be glimpsed by your consciousnesses. A door into the past closes and another door opens into Heaven so that you may recognize your origins, your personal mission, your commitment to Christ.

The deepest cores are healed by My Heart and by the strength of the Love of God, coming from His purest, most chaste and immaculate Source.

Today, this is what I bring you, dear children. From the furthest infinity of the universe to what is greatest of this planet is being bathed by the Light of God, by His non-material Source, which brings new principles to the hearts of this nation and for the world.

Here, today in Santiago, your Heavenly Mother finishes a stage and begins a new one, accompanied by your hearts that have given their vow of confirmation on this night of consecration and peace.

I will count on your hands to carry service, prayer, instruction and also healing to Chile.

I will count on your feet so that, through you, dear children, I am able to journey among this people, carrying out the ardent aspiration of My Son of turning this nation into a blessed homeland.

Thus, dear children, with this small step that your hearts take today, the most precious Project of God descends upon your consciousnesses like a Grace, and in this moment, to your lives brings the strength of the renewing Spirit that transforms and heals all things: the strength of My Holy Spirit, so your lives, united with My Son, may begin the apostolic path that I encourage you to experience in the end of these times.

From that Greater Source I come today, from the purest and most chaste non-material Source I bring that which is unknown to your beings, which at the end of these times, through your prayer and your charity, will become visible, aware and available for each of you.

The Mysteries of God will cease to be mysteries. They will be teachings, impulses of light, ways to renew your hearts daily.

Thus, I tell you, dear children, that you are not alone on this night. Your Heavenly Mother, in light of the Celestial Father and in light of His most beloved Son, has made the commitment to accompany you. Just as you have made a commitment to Me, on this night, to accompany Me on this new walk of returning to this people, a people in redemption, love and light, so that it may recover its sacred values that were inspired in the original people, so it may recover the spiritual dignity of being able to feel like a child of God, as a nation and as a race.

For this reason, dear children, let your hearts celebrate today, let your bitterness disappear today, let your hearts beat as Mine beats in this great emanation of Love that I bring you from the Source to make your lives, lives within the Divinity, within the Father, within His Project of Love.

I would like you to feel your spirits to be free to walk in peace, knowing that you are taking sure steps toward that new reality, toward that new mission that My Heart brings you today, that My hands today gift you with a motherly Love, to each of your hearts.

Let the suns of your beings rise and may this land be redeemed by the star of your hearts, which today shine again in the Love of Christ, Our Lord.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

On this night, My children, I invite you to renew your commitment to Me and also renew your faith, so that in this way, you may prepare the return of My Son to this world and that He may find, in your hearts, a refuge and a hope.

The world is distant from God, and humanity no longer believes in the Return of Christ. But I come on this evening, children, to show humanity, through the testimony of your lives and the renewal of your faith, that your Lord and King is now returning in Spirit to the cradle of the Americas and, with all His Divinity and splendor, He will place His Feet on the soil of this land.

For this, I want you to prepare your hearts with faith and hope, with an absolute trust in My Immaculate Heart; because in spite of all the tests that humanity will experience and which I have already announced, the Son of God will return to the world and it will be when the time of this Earth unites with eternity and dissolves the chaos and the conflicts of this Earth, to make way for the Kingdom of His Love, His Mercy and His Peace.

Today, My children, I come to establish this Kingdom within you, because you opened the doors of your hearts to Me. Let this Kingdom expand, transform you and change you every day into true divine projects, in which the promises of God are fulfilled and His perfection is manifested.

In this way, My children, Divine Will shall expand throughout this planet and the East will also see a new opportunity, a new life being born on this Earth, in the heart of the Americas.

Children, you will see the chaos of this world, you will see this world tremble; but today, I come to strengthen your faith and the joy of your hearts.

Today, My eyes of a Mother and Pilgrim contemplate your hearts with great joy, because I see redeemed soldiers that are defeating the battle of the end of times, with knees on the ground, with your forehead on the ground, crying out to the Father for His Mercy, for His Forgiveness, and for

the redemption of this planet.

Today I also come to especially ask for the Kingdoms of Nature, so that you may understand, children, that this country, like all the countries of the world, not only has great beauty to be contemplated by the heart of humankind; such beauty, children, sustains this world with a surrender that humanity still does not understand.

If you allow the Kingdoms to be assaulted, and little by little, disappear from this world, as essence and spirit, you will not allow the Earth to be sustained and fulfill its mission.

Especially in this nation so loved, I come to ask that you pray for the Kingdoms, and that in your groups of prayer, be aware of the silent suffering that the Kingdoms of Nature endure because of the indifference of humanity, because of the assault and all the sins that are not only in the human heart, but also, as a result, extend into My little Kingdoms of Nature.

Today, children, feel the joy of My Heart, the infinite Love that I bring from My Celestial Kingdom, and allow yourselves to be inspired to be different, and with an even greater impulse, carry the good news of the Presence of God on Earth with words, with prayer; but above all, with the examples of your lives.

Show the world and this nation that you are different after being in the Presence of your Divine Mother; because today I bring you the redemption of your spirits, the Mercy of Christ, so you may be renewed and finally express this higher love that dwells in your essences, this unique love that I come to wake up with My infinite Divine Love.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Responding to this celestial call to assembly, see born in your hearts the Star of My Celestial Confederation.

And on this afternoon, on this evening of Graces, feel part of an infinite legion of love that works for peace, the good, the awakening of all the universes.

Let your deepest beings, your spirits unknown to this material life, stand up again and look firmly toward the universe to find again this inner communion with the Great Brotherhood.

And now, dear children, that your hearts were worked upon and are now ready to be able to begin with new steps on this walk of light, on this apostolic walk that I invite you to experience, I will consecrate you with the Water of Life, with the water that comes from the Source which materialized on this Earth through water as a sacred element for the healing, redemption and consecration of this humanity.

Bring water here for Me to bless.

"Place, Lord, Your Hands over this element that You have created for the creatures of this world, so they may be washed, purified and redeemed by the consoling Spirit of Your Sacred Heart.

Through this element, place here the gifts of Your Son so that, in this important Sacrament, with the essence of infinite life, all the souls of Chile may again find their original purity. Amen."

Friar Elías del Sagrado Corazón de Jesús:

At the request of Our Lady, we are going to ask that the Children of Mary stand up to receive this blessing Our Divine Mother is providing.

You can bring more water here, because I will also bless everybody, dear children, not only those who are being consecrated today; because through your souls, the souls that are present here today, I am weaving My Celestial Mantle with your essences, in this nation and in all your people.

I will also, dear children, bless these sacred elements that you have brought to the foot of My alter, as well as these intentions that have come from other nations of the world, which I will hold with the great love of My motherly Heart, to request for each of them, so that more children of Mine in the world achieve healing and freedom.

Let these flowers as well, at the foot of the altar which make the spirit of this people re-emerge, be blessed by the Love of My Heart, so that souls may find Higher Love again. Amen.

Today I bless the children that are being consecrated to My Immaculate Heart and who come from this land, which is closing its wounds and is resurfacing to true Love, which I invite you to experience and to practice every day, holding My Immaculate Heart as its foundation, as impulse and as an awakening.

I consecrate you, in this new apostleship that you will experience together with Me, so the land may be consecrated as the homeland that God hopes to see manifested in this end time.

I bless you with the Love of My Heart. In the name of the Father, the Son and the Holy Spirit. Amen.

And My feet will continue to walk among this people. I invite you to accompany Me, in the next meetings, so that more souls may be consecrated in love. And you, as from now, My children, be instruments of My Immaculate Heart so that more stars may be ignited in this nation and fill this firmament with redeemed beings.

So be it.

I love you always, I love you eternally. And for this meeting which has been done in the name of Grace, I thank you for responding to My call.

Sing with your hearts so that God may hear you and thus His Celestial Kingdom be established above all things.

Amen.

Song: "To Look At You."
