DAILY MESSAGE OF MARY, ROSE OF PEACE TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

My adversary does not know the virtues of the hearts and he gets angry when these virtues, that are part of the sanctity of the spirit, emerge for the service of God.

Therefore at this time of the final battle, may your hearts pacify themselves, may your souls be in peace and without fear that something bad might happen.

Surrender your lives and commands to the Hands of God, and a new time of Light will come to fill all of you up, just as it has been thought by the Father.

Dear children, be what you have not been yet and for this to be possible, determination and faith will help you manifest this model of spiritual life that must also be at service of the planetary life.

Let your human lives continue being guided by Me until the final goal and during the battles that you live for the redemption of souls. Acquire a spirit of greater meekness than all evils that exist in this world; in this way you will be able to gather all the sufficient virtues, those that will help to take the last step of surrender to God.

Do not fear God because even if you fall over and over again, confirm innerly that you are children of the Most Beloved Father and He will have pity on all the actions My adversary inflicts to the hearts; the Father will help you with the strength of all His angels so that you will never forget that who is in God fears nothing.

I thank you for responding to My call!

Who blesses and absolves you in the name of the Father, the Son and the Holy Spirit.

Amen

Your Mother, Rose of Peace
