**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

In the eyes of God, the soul always loves.

In the eyes of God, the soul lives its faith.

In the eyes of God, the soul walks and ascends.

In the eyes of God, the soul is in God.

In the eyes of God, the soul recognizes the path towards Christ.

In the eyes of God, the soul drinks from the Fount of the Love of God.

In the eyes of God, the soul grows and finds strength in the Heart of God.

In the eyes of God, all souls are equal and all of them are united to the Creating Principle of God, because in the eyes of God one lives the great mysteries of the Heart of God.

Dear children, today I invite you all to remain under the merciful gaze of God, because in the eyes of God your hearts will become inseparable from the life of prayer, and the Great and Divine Spirit of God will allow you to know the humility that you need in order to fulfill His One and Only Will.

My children, when I invite you to be under the gaze of God, it is for you to recognize that you are not walking alone and that, united to His heart, you will be guided by Love and by the Holy Spirit.

Little children, many hearts still are not under the kind gaze of God. The Father is close to each one of His beloved children and you, in the name of Love, can help so that the whole world may be under His gaze.

Each child of this humanity must open the treasury of the heart in order to reach the gaze of God.

My Father, the Most High, is in your hearts and therefore I invite you to search for Him within your beings because many children easily forget God in the heart. Your attention to be in God will alleviate the martyrdom that He receives from the constant offenses of humanity.

If humanity were in the Mercy of God, it would be a merciful humanity. You are still in time to find the Source of the Love of God in your hearts, because My Maternal Aspiration is that you learn to love as Jesus loved.

I thank you for responding to My call!

Mary, Mother of the Divine Conception of the Trinity
