DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

God recognizes the true effort of His children, and by means of these efforts He grants the peace and reparation of all the faults that His own children might have committed.

In this effort is found the impulse of transformation and of change.

In this effort is found transcendence and the spirit of ascension.

Fix your gaze on the occult sense of the effort and from it you will retrieve the spiritual fruits for your transformation.

But something essential exists that moves the realization of this effort, and that is called love.

If the effort did not have love, it would be an empty effort, it would only be a material and not a spiritual effort.

Allow then, for your memory to register the importance of doing everything for love, for compassion and for Mercy. Thus, you will save time and space. Your energy will not be empty because the effort will always be full of determination and momentum for serving Me, in every moment.

Think about what I say and you will give Me the reason.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
