WEEKLY MESSAGE TRANSMITTED BY THE VIRGIN MARY, ROSE OF PEACE, IN KRAKOW, POLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To the young seekers of the Great Peacemaking Heart of Christ

Children:

A peacemaking heart is one that is clear, within itself, about the path it wants to travel.

A peacemaking heart is willing to go beyond itself, for the sake of good and peace in humanity.

A peacemaking heart recognizes the need and attends to it in order to alleviate it.

A peacemaking heart does not defend itself, nor does it justify itself. It always seeks to be attentive to inner signals.

A peacemaking heart knows why it is in this world and what it has come to humanity for.

A peacemaking heart rejoices in the achievement of others and strives to help others surpass them, because a peacemaking heart knows that it has nothing to gain and nothing to lose, since its ardent aspiration is to help everyone achieve their dreams.

A peacemaking heart loves Creation and secretly works so that every day nature is repaired.

A peacemaking heart does not raise its voice nor does it assert its own ideas, but is receptive and open to learn from possible differences.

A peacemaking heart keeps alive its aspiration to serve God's Plan and never stops holding the banner of peace.

A peacemaking heart seeks the Footsteps of the Master, because in them is the way, in them it finds the truth, in them it will understand life, experiences and learning.

A peacemaking heart works to achieve its goals and strives to express its gifts and talents.

A peacemaking heart does not retreat, but walks, keeping in mind that each of its steps will be blessed by the Great Light.

A peacemaking heart drives change, renews the ways and concretizes the aspirations of the Great Peacemaking Heart that is Christ.

May the seekers of the Great Peacemaking Heart, who in these days gather and unite for a Greater Purpose, receive the blessings of their Heavenly Mother, so that all young peacemakers may be the new seeds to be planted in the coming Promised Land.

Who blesses you this day and thanks you for responding to God,

Your Mother, the Virgin Mary, Rose of Peace
