Prayer Against World Impunity

Lord,
may my voice never again
rise against my brother.

Lord,
may nation no longer
oppose nation.

Lord,
may weapons no longer be raised
and may no other consciousness lose its life.

O Celestial Lord!
have pity on our injustices and errors.

O Lord of Mercy!
make Your Light descend
upon this dreadful darkness.

Lord,
may conflicts no longer be generated.

Lord,
may the most vulnerable families
no longer be displaced.

Lord,
may bombs no longer detonate.

Lord,
may no one ever again be capable
of killing their fellow being.

O Lord of Life!
make us worthy of Your Kingdom.

O Lord of Peace!
may Your Sacred Celestial Universe
become alive and present in this world.

Lord,
may the tears and blood of the innocent
no longer run.

Lord,
may hate, revenge and impunity
no longer exist.

Lord,
heal us from indifference.

Lord,
heal us from omission and prejudice.

Lord,
heal us from all evil.

May our hearts be pure.

May our works be charitable and good.

May Your Presence within us
close the doors to evil.

Lord,
make us partakers of the Return of Your Son
for whom, with hope and faith, we wait.

By all the redemptive merits of Your Most Beloved Son
and by the perpetual prayer of the Immaculate Heart of Mary,
may we see the emergence of a humanity of peace,
respect, tolerance and fraternity.

Amen.

Prayer transmitted by the Virgin Mary
in Her weekly Message of March 5, 2022.
