Prayer to the Sacred Fire of the Heart of Jesus

On August 16, 2022, Our Lord said:

"Venerate the Fire of My Heart, the One that illuminates more than one hundred suns do. The One that brings to your essences, in wisdom, the joy of being with Me permanently, the bliss of serving Me and sacrificing for me, not only in behalf of this planet, but also in behalf of all of humanity. (...)

It is for this Fire of My Heart's Love that you must work and labor. (...)

By just adoring the Flame of My Heart's Love, I assure you that you will know the universe of My Love, and you will feel the inner impulse of doing anything for the fulfillment of the Plan."

Sacred Fire of the Heart of Jesus,
transform my life and free me from all evil.

Amen.
