DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM MALAGA, SPAIN, TO FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Every sacrifice and effort, no matter how small it may seem, is agreeable to God and makes the inexhaustible Fount of Mercy open, to pour it out upon humanity.

Every true sacrifice is considered precious to God, and furthermore, if this sacrifice is filled with love and kindness, its spiritual and inner effect is even wider.

I invite you to continue to practice this sacred profession so that more souls may be touched by the Grace of God, even though they may be souls that you do not know.

Sacrifice helps in the conversion of great sinners and this encompasses great spheres of consciousness.

In this sense, children, sacrifice is one of the greatest offerings to the Creator because within it you will find the way out for converting difficult and impossible situations.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
