**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF KRAKOW, POLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

**Fifth day of the Novena**

By immersing into My Mercy, the souls who are deceived by the projects of the world through genetic and human plans not only receive My Grace, but also My consolation.

The Source of My Mercy repairs the entire consciousness on a deep level and especially on a spiritual level.

The Mercy of My Heart can especially reach the souls that, through absolute ignorance and blindness, fall into temptation and destroy by their own means what God conceived within them.

When the most innocent souls are aborted, it means that the decision taken by their own mothers represents a total deviation from the Law of Love and Compassion.

All those souls who do not live on Earth today because they have been removed from the wombs of their mothers are in suffering and agony for not having been able to continue their human and spiritual evolution.

In this sense, the main Law of Creation is altered and a great debt is generated which must be resolved through the Mercy that the praying souls invoke to My Heart.

In these times, the transgression of the Law of Life generates regional and even worldwide catastrophes. When the Kingdoms of Nature are transgressed, in their cycle of life and evolution, they react by means of phenomena that harm humanity.

The importance of invoking Mercy for the unborn will help to dissolve the invasive human projects that alter the evolution of the human being and the planet.

The souls of the unborn are redirected, through My Mercy, to new Sources of Light so that they may live their path and awakening in other parts of the Universe.

In truth, Mercy is the table of salvation for these times.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
