Daily Message received in the city of Frankfurt, Germany, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Now, My Cosmic Stations of liberation and of planetary transmutation rest and restore themselves for a moment, to then be spiritually activated over the city of Amsterdam, the place where your Lord shall work with the lower human consciousness of all those to be found there, those who, out of debauchery and the deviation of these times, have forgotten God and have been abducted by the great powers of vices and pleasure.

I come in this hour to prevent Amsterdam from becoming a new Sodom, burning in flames and being violently purified by the very nature of Creation.

I will go to Amsterdam to call the most fallen ones to do penance and to repent from their sins, knowing that it is the Savior and Lord Himself Who will encounter the most lost ones so that, in the inner planes, those souls and their essences may confirm themselves in God and abandon the aspects of illusion.

Therefore, I will need not only followers who accompany the Master in this task. I will need warriors of prayer who, far from tepidness, will face with Me the great moment of liberation that I will impart, in the supreme company of Saint Michael the Archangel.

I thank you for keeping My Words in your Heart!

Who blesses you,

Your Master and Lord, Christ Jesus
