DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Today we reunite and unite again, from heart to heart, to attend to and pray for the grave world situation, an effect from the imbalance within all of the Kingdoms, especially in the Human Kingdom and for the excessive use of power.

All these events, My children, leads humanity to live and suffer a disorder that also reflects within the life of the spirit.

For this reason, beloved children, this is the time of prayer for the nations, because by praying for each one of the peoples and of the cultures, you will be praying for your planet, which also silently suffers the aggressions of the human being.

However, have faith in the awakening of consciousness, in the possibility that, through prayer and altruistic service, you will be able to relieve the mental consciousness of humanity.

In the meantime, My children, I need an army of praying souls that will accompany your Celestial Mother in the purpose of bringing peace to the world ever more, and of attaining the end of suffering.

This is the time of seeing awaken and flourish, within you, the virtues that My Son gave you so that your talents may be at the service of the Plan of Love and Redemption.

To pray for the nations also means to pray for the angels of the nations, which in this time suffer the consequences of the decisions that the peoples adopt as a model of social and spiritual life.

Today, by means of the union of our voices, let us open the Heavens, trusting and feeling the descent of Grace as a current that purifies the nations and heals the hearts in the face of all adversity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
