SPECIAL MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

As a new Sun, My children, I come to manifest and fulfill a Will of God, a Higher Law, of being beside My children in the end of times, until the consummation of their surrender on the cross of the world, the planetary cross.

I Am the One Who silently accompanies your steps, but Who is always ready to utter a word of encouragement, guidance, fortitude and support so that My children do not give up on walking when they find stones and so many obstacles in this arduous trajectory of transformation and transcendence of the human condition.

On this August 8th, My children, a stage ends in your lives, as in all of humanity. It is the end of the desert and the forty cycles of trials that precede the end times.

Now, and for three more years, your hearts will still be in time to be strengthened, to surrender and grow in spirit, in the constancy of a mature and silent higher life so that you may, at last, be pillars that sustain the human consciousness.

I no longer speak to you about cycles of formation but of conscious action, inner action, prayer and connection with the Divine, silence and true seeking of the maturity of consciousness in the degrees of love, while being capable of living, by yourselves, forgiveness, reconciliation and the manifestation of Grace and Unity that you so much expect to see manifested in the human consciousness.

During this coming cycle, I will accompany your hearts, as I accompanied each step of My Son, because for this My Consciousness was created, to be by the side of God's creatures until the consummation of their offering, the transcendence of their human condition, from the old to the new human being.

It is time for you to be knowledgeable of the Universal Laws, not superficially but rather attentively and truly, being capable of seeing these Laws manifested in your lives so that you may know how to act in consonance with the Divine Purpose.

Only when you truly understand the Divine Laws and Rays and you live them, the Spiritual Hierarchy will be able to grant humanity the autonomy of a new step and greater degrees of responsibility toward the planet and its evolution.

Until then, children, live your inner path with greater maturity and be in the world without belonging to the world. Do not allow the superficial aspirations of human life to take over your hearts and your earthly time. Give time and value to that which has real value in the life of the spirit, thus you will perceive what I want to transmit to you and why I will still be by your side.

I wait for you in prayer.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
