SPECIAL MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

My daughter,

Whenever a soul prays from the heart and in inner contrition, there I Am, collecting the fruits of their offering to take them as intercession to the Feet of the Celestial Father.

Even if you do not see Me, My Gaze is upon My own. Even if you do not see Me, My Heart envelops you with Love and Compassion. Even if you do not hear Me, My Sweet Voice will always pronounce words of Love, which can be received within the silence of the heart that opens, and can be translated into peace, inner fortitude and faith.

When I indicate a day and an hour to be with you, it does not mean I will be absent in all the other moments. I simply teach you how to be in every moment of life, My children.

When I tell you the day and the hour to meet Me, your hearts are filled with faith and joy, hope and fervor, and your prayers generate potent channels of Light that relieve the world from the darkness that surrounds it.

The time has come for you to learn to be in this attitude in every moment of prayer, to learn to give importance and value to every opportunity to pray and cry out, because souls are distracted, and the world is ever more plunged into the darkness that blinds them.

Therefore, My children, I once again set a day and time to be with you, so that you may resume within yourselves the capacity to intercede for the world.

I do not come for the merits of souls. I come for the need of the planet and the potential of your hearts. And this is what I presented to the Father to again ignite My Marian Centers in the fervor of the prayer united to My conscious Presence.

Therefore, raise your voices and rosaries in prayer ever more each day. May My Presence speak to you about the urgency of these times.

I bless you and protect you.

Your Mother, the Virgin Mary, Rose of Peace
