DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dearest children of Mine,

In this month of the Holy Rosary I want to renew you in the faith and in the sacred devotion to My Immaculate Heart. I wish that every day, even if only for fifteen minutes of your day, you venerate My Immaculate Heart, Its Light, Its Glory and Its Grace towards all of the children of the Earth.

I promise those who will venerate My chaste and pure Virginal Heart throughout the month of October, to pour out a special Grace that will bear fruit and glory in the next life. I promise those who will venerate My Sacred Heart, to give them fervor and a spirit of consolation and of Grace during the last times of the Earth.

I wish, dear children, you would diffuse the devotion to My Immaculate Heart. And if this veneration takes place before the praying of the Holy Rosary, I promise to comfort the soul who asks Me for that, because I have the permission and the authority to do it as the Mother of God. This promise shall be fulfilled because it has been preciously granted when Christ gave Me to all as the Mother of the new humanity.

To those hearts that will diffuse the silent power of My Immaculate Heart I promise the total and absolute repair of the entrapments of My adversary. If this holy image of My Immaculate Heart were to be placed on the door of each home, I promise the existence of an unbreakable faith, capable of setting aside all desire for evil and hatred.

But if the holy image of My Immaculate Heart is venerated by the families of the world before praying the Holy Rosary, I promise the most potent divine protection during the three days of darkness.

Whoever, in the name of Jesus Christ, will ask Me all, for the sake of the merits of His Passion, I promise during this month, to grant impossible Graces and unthinkable transformations to all those who will venerate Me and who will give Me their love.

I wish that, in this month of the rosary, peace may be the keynote for the souls of the world, because I will especially fulfill My works requested by Christ through those who will piously implore Me from the Heart for a special Grace.

This month the most pure Mercy of My Immaculate Heart will be pouring Itself as an ocean of renewal and hope for all. I will not abandon any child, because My gaze will be on all those who will truly seek Me with sincerity.

Whoever, during their life, will continue to venerate My Immaculate Heart, offended by the impure actions of the world, I promise to liberate them from every stain at the time of their death, and especially to elevate them to the Kingdom of God, as the angels elevated Me in My

Assumption.

I promise each of those who will consecrate themselves for life to My Immaculate Heart, the Grace of joy and eternal peace for all of the times that will come. I promise in the time of their judgment, to be the advocate and intercessor, because My Graces will erase from their consciousness, all of the grievances committed due to ignorance. At that moment My Immaculate Heart shall triumph in their existence.

I thank you for venerating My Immaculate Heart.

Who consecrates you to God,

Your Mother Mary, Rose of Peace
