WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I have come to establish My Kingdom in the world and in the hearts of My companions, not through power or imposition, but rather through renunciation of power, through love and humility.

I have come to establish My Kingdom in the world and in the hearts of My companions, not through acts of prestige and human honor, but rather through the glorification of the Son in His Father, through absolute surrender and sacrifice.

The one who believes in Me must imitate My example and transform both life and the world through that same example. Therefore, child, each time the world calls you to exercise power and imposition, turn your heart to renunciation, love and humility.

Each time the world makes you fight for honors and prestige, seek the glory of God in His Son, the glory that you will find in sacrifice and in the silence of the Cross.

Each one, in these times, must define by themselves the path they will decide to follow.

Each one will have to take their steps according to the inclination of their heart.

The Son of Man did not exercise His power in the world nor will He exercise it while it is still time for the definition of souls, because the offer of Justice and Mercy, Redemption and Forgiveness, is still there for hearts.

The day and the hour will soon come when the Lord will descend from Heaven and will not need to exercise His Power but just live it. His very manifestation of life will be the manifestation of the Power of God. But for this day, souls will already have to be decided, because the last door will open and will soon be closed for the Final Judgment of this world and its purification.

Until that day comes, do not judge one another nor seek to exercise power or justice, because these are divine attributes, and it will be up to the Divine to manifest them when the moment comes.

Be bearers of Mercy, faithful disciples of My Heart, and bear witness to what you believe through your lives.

Love and humility compel and transform. Renunciation and silence mortify the darkness of the human heart. And on this path you must place your feet.

I bless you and support you as children of My Father.

Christ Jesus
