MONTHLY MESSAGE FROM THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE LIGHT-NUCLEUS SACRED HOUSE OF MARY, MOTHER OF SÃO PAULO, SÃO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I Am the Mystical Rose, the Rose of Peace, the One who carries in Her Heart the Immaculate Purity, so that souls may rediscover the purpose of their existence and rekindle their essences, so that peace may reign within them.

I Am the Woman clothed with the Sun, the One who carries in Her Arms not only one of Her children, but each and every one of them, so that they may be protected and supported on their path of evolution.

My children, although the spiritual desert of humanity has come to its end, this does not mean that the cycle of trials and definitions that many experience with intensity has also come to an end. The trials and definitions of souls will accompany human evolution until the end of their days, until the Project of Love of the Creator is realized.

However, My children, do not allow your beings to faint or give up in the face of adversity. Rather, continue to offer God the transcendence of each challenge, the overcoming of each day, and even when you are not able to overcome yourselves, surrender your weaknesses and miseries to Me, because I, as your Heavenly Mother, will help you to start again and rise once more from where you have fallen.

This is indeed a time of great trials and definitions, but the Law dictates, My children, that with the same intensity as the darkness that assails you, so must be the Light that guides and transforms you, that propels you and elevates you.

Therefore, do not despair in the face of the chaos of the world, of the cross of these times, but turn your gaze towards Heaven, as well as within yourselves, and you will be able to find within yourselves, as in the firmament, the Water of Life that you need to move forward.

Be Light for the world through your persistence. Remain in God and seek your Creator with faith.

And when you no longer have strength, just look to the side and you will find Me, just as My Son found Me in each fall with the Cross. Look into My Eyes and see, My children: I am here.

May those who have fallen rise up and take up their cross again. You must still walk on, for much is yet to come.

I will always accompany you.

Your Mother, the Virgin Mary, Rose of Peace
