DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The true receiving of the pilgrims of God begins by opening the heart to them in order to feel their inner need and their supplication.

The receiving of the pilgrims represents this part of humanity that, in spite of the circumstances, aspires from time to time to manage living the Sacred Will of God.

Therefore, the way in which you receive the pilgrim is how the Lord Jesus is inwardly received.

Each gesture shared with the pilgrim, each prayer carried out in the name of love and of an ardent aspiration, is a door of Mercy that is opened to alleviate a profound and ancient pain.

The receiving of the pilgrims is one of the principal tasks of planetary healing for the end of times, within the mission of the Marian Centers.

The receiving of the pilgrims represents the possibility that each server has of giving the best of themselves beyond the place, the situation, or the nation from which they come.

To receive the pilgrims in the Marian Centers is like receiving Jesus and finding Him in the expression of the faith, the pain, and the suffering of each brother or sister.

The task of those who welcome the pilgrims will always be to give love in order to sow inner healing and forgiveness, so necessary for these critical times.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
