WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE LIGHT-COMMUNITY FLOR DO SAGRADO TEPUI OF RORAIMA, BOA VISTA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

In the name of the Father, the Son, and the Holy Spirit. Amen.

The Lord's Prayer in Aramaic.

The Lord hears the prayers of hearts that suffer. The Lord hears the crying of the innocent.

How many times have I told you that the one who fights with the sword will perish by the sword?

Each drop of blood of innocents shed, at any place or space on Earth, is a drop shed within the Heart of your Lord. My wounds are still open, and this is how, day by day, instant by instant, I repair the evils caused by the world.

On all the altars of the Earth, when the Sacrament is raised, there My Heart is, being broken and shared, once again experiencing each pain, each wound, each offering that I once made on the path of Calvary and in the Crucifixion.

Every day, on all the altars of the world, there My Heart is, there My Body and My Blood are, repairing the outrages of the world.

And this is how I tell you I hear the crying of the innocent, I hear the clamor of souls, I hear those who cry out of hunger, thirst, pain. I hear the Kingdoms of Nature, I hear the heart of the Earth, the spiritual consciousness of the planet, which many do not know. And it is because of hearing each cry and each clamor that I Am still present in all the Tabernacles of the world.

My Presence is alive, real, true. My Heart beats in a spiritual and cosmic beating of Divine Mercy, and this is how My Heart makes Itself a mirror to radiate to souls that suffer, to the Kingdoms that suffer, and to the heart of the planet.

Therefore, do not think that I Am indifferent in the face of the suffering of the world.

No, the Lamb still surrenders Himself on the altar, and it is with My own Blood that I repair the blood shed from innocent souls, from the children, from the women and men of the world, from the Kingdoms of Nature. The Heart of the Lord is not indifferent in the face of the suffering of the Earth.

Therefore, unite with Me in a constant reparation, through adoration, prayer, Eucharistic Communion. Be together with Me on the altar, and there, My Heart will not perish alone; there, souls will not suffer alone. Each one of you will be a body in the Body of the Lord, will be blood in the Blood of the Lord, to repair existence and, together with Me, allow My Mercy to continue to be poured out upon the Earth.

In adoration, may your hearts unite with Me so that I may teach you in this time to awaken and develop a Higher Love, capable of generating merits for redemption, pity and mercy in any time, in the face of any Law. May your hearts be able to assuage the justice of the world.

Just as the Son of God surrendered on the Cross, opening a new evolutionary, spiritual and material possibility for the Earth, as well as for all of Creation, so too can each one of you, united with Me on all the altars of the Earth, open a new opportunity for the planet, a spiritual, inner and material opportunity.

And even if the world has to begin again, humanity will have an opportunity to experience redemption and recognize peace.

In adoration, you will learn from a Higher Love, you will learn to overcome ignorance, indifference within you, but also indignation, anger, rage, hatred, which are also energies that separate you from Me and which separate you from one another, that move you away from the possibility of knowing forgiveness and of emanating mercy and pity for the most lost souls.

It is in adoration that you will know the deepest Wills of your Lord. And there, I will tell you what more I want from your lives, what path you must follow, what decision you must make, and what you must no longer do. My Spirit will speak to your spirits.

Whenever you seek Me and are with Me on the altars of the world, I will be there with you.

Adore and pray for all those who no longer have the strength to do so.

Adore and pray for those who have no way of getting out of their suffering, their fear and their pain, to lift up a prayer to the Heart of God, for those who can no longer trust, for those who are drowning in the darkness of the world, who cannot even breathe to continue on Earth, to continue living.

May your prayers become air for those who are suffocated.

May your word become a voice for those who are silenced.

May your hearts overflow with love and mercy for those who most need, and in this way, you will bear witness that you hear and have heard My Words for so many years.

This is what I most want for each of My companions, this is what I need from you today. And thus I will be able to be here every 5th day of each month, because the Marathon of Divine Mercy is, for Me, a source of atonement, one of the most important moments that the Heart of your Lord contemplates, where I pause to feel the love of souls and bring relief to the suffering of those who endure.

Each Marathon of Divine Mercy is a renewal for the Lord. It is there that My wounds are healed, and I can give a little more, together with souls. This is why I Am here and will continue to be so.

The greater the cry of the Earth, the deeper may your cry be. The greater the chaos of the world, the more sincere may your prayer be.

Do not tire of praying, do not tire of believing that God still loves humanity and still has a Purpose for every single heart of this planet.

Just as I renew Myself today, may you also renew yourselves, each one of you, in Me.

I bless you, I leave you My Peace so that you may multiply it as gifts and talents, bringing it to souls.

In the name of the Father, the Son, and the Holy Spirit. Amen.
