WEEKLY MESSAGE OF CHRIST JESUS TRANSMITTED AT THE LIGHT-COMMUNITY FLOWER OF THE SACRED TEPUI OF RORAIMA, BOA VISTA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

With My Heart and My Wounds exposed, I offer to the world the power of My Merciful Love, I offer what is most precious in My Consciousness, which is the ability to sanctify, consecrate and Christify human and universal life. This is what I bring to you today through My Light.

I come to awaken hearts that aspire to be sanctified. I come to raise spirits that are willing to be Christs in Christ, to be and remain in unity with Me, so that one day, when the Light of the Lord crosses the thresholds of dimensions and reaches the world again, My companions may be ready to be the salt of the earth and the light of the world.

I Am still here, in Spirit and Divinity, availing Myself of the Grace and Mercy of the Holy Spirit of God, because hearts still need Me. The Work of My Father is not complete yet, it has not been completed neither in Me nor in His creatures. The Work of the Lord is completed when Christs multiply themselves.

I came into the world to be bread, broken and shared, to dwell and live in beings and, thus, transform them from inside out, bringing them the opportunity to return to God within themselves and discover the Kingdom of Heaven in their own hearts.

I did not come to be the only Christ on Earth or in the Cosmos. I came to form Christs, to transform hearts and make them similar to Me. This is why I Am here.

Therefore, do not look at your lives with a narrow minded gaze, of someone who is in the world just in passing through, to continue to be an imperfect human being. I offer you more and I also ask you for more, not because I want something from you that you cannot give me, but rather because I Am the only one who knows what you can give the Lord.

I give you the talents, and I know you can multiply them.

I give you devotion, inspiration, the breath, life so that you may live in Me and, in Me, you may become holy as the Holy One.

This is My Will, a Will that I reveal to you today. I do not just speak to you about it, but rather, with the Light of My Wounds and the offering of My Heart, I give you Graces and Mercies so that you may be one with Me.

Come to dwell in the Heart of the Lord. Come and enter into what I Am so that I may also be in you.

So that you may live this Higher Will, I bless you.

Your Master and Lord,

Christ Jesus
