APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELIAS DEL SAGRADO CORAZON DE JESUS AND SISTER LUCIA DE JESUS

Friar Elías del Sagrado Corazón de Jesús:

Master Jesus was with us today and asked us to say, a few times, a prayer that He transmitted to repair His Eucharistic Heart.

We are going to say it, sentence by sentence, until we can all enter into the rhythm of this prayer that He lovingly transmitted:

For the glorious liberation of the High Priest,
Christ Jesus, have pity on us!

(20 times)

In the name of the Father, the Son and the Holy Spirit. Amen.

Song: "Mercy Mary."

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Dear children,

Once again, Heaven opens to your hearts and My Immaculate Heart enters the Earth.

Beloved children, today the world was relieved by the Heart of Christ, and through the intervention of Our Lord, many souls reached My Kingdom.

Elevate your hearts and give thanks to God for the miracle of this day, because once again My Heart has triumphed.

My children, I consecrate this place just as I consecrate your hearts. I consecrate each heart that says yes to My immaculate call.

God offers consecration to each one of your souls. Just raise your hearts to My Heart and offer your lives to My Redeeming Son; for just as sister souls entered My Kingdom today, My Heart wishes to receive each one of your souls.

Dear children, the Grace of Heaven comes through prayer, through the pure prayer of your little hearts, the simple prayer that is dialogue with Me. I hear each one of your hearts and lift up your offerings to the Creator with My Hands.

Dear children, do not only offer your requests, but also offer your suffering, offer each anguish of your hearts, because the Lord is merciful and wishes to receive your sufferings to transform them into love and mercy.

Beloved children, the fervor of prayer alone is enough to repair the Sacred Heart of Christ. The love of your hearts heals the pain of My Son.

Do not fear to speak to Me. I hear you, just as God hears you, just as the Heart of My Son contemplates you.

Today I have received a special Grace from the Lord, which is to take your consecrated souls to Heaven. For this reason, praise the Creator from the depths of your hearts. This is the moment in which He listens, the moment in which the gates of Heaven are open.

Those who say yes to Me today will have their hearts strengthened by the Grace of the Lord.

Those who say yes today, say yes so that My Heart may sustain you in each moment. This is the Grace the Lord gives Me, to have each one of your hearts in My Arms, to sustain each one of My little children, just as I did with the Little Child Jesus.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I wish to be with you eternally. As the Lady of the Holy Rosary, I remind you of the importance of this prayer.

What else I can repeat, my children, if your ears are attentive to My Words throughout the centuries! I wish only to love you and teach you to love.

Today you have received the special Grace of the visit of My Son. What loving mystery of God has been revealed! The power of the Love of My Son in each one of you.

Dear children, I wish simply to lead you, to lead you towards the Kingdom where My Son dwells.

Today, I also reveal that your prayer has been heard and because of that, My Maternal Heart thanks you.

May the Glory of God be present within you during all these times.

Today the suffering of humanity is also revealed to the world. When My Maternal Heaven descends to Earth in each Apparition, the sorrows of this world are also revealed, the realities which no one wants to see, realities that humanity hides because they exist alongside each being. For this reason, I invite you to see, with your eyes, the truth of this world and unite yourselves in prayer for the wounded hearts.

You can count on My Maternal Ray in this definitive time. May the Light of My Eyes lead your paths. My Immaculate Heart is completely offered to each one of you. I wait for you to accept It and that you keep It, that you may contemplate It through your prayer.

As a Blessed Mother, when I was on Earth I received many Graces. And this is what I intend to pour out, Apparition after Apparition, to relieve your hearts and grant salvation to all of you.

Dear children, accept being in My Arms, it is not time to leave My Arms, but to be close to My Immaculate Heart.

I wish for you to be nourished by the Light of My Maternal Spirit so that you may glorify God above all things.

Today I repeat, My dear children, may the Grace and the Mercy of God contemplate you at this moment through the Sacred Heart of My Son and My Maternal Heart.

Today I want only to shed tears of joy. For this reason, pray, pray, dear children, so that My Maternal Heart may welcome your prayers and thus may pour out My Graces once again upon those who are most in need.

You have been quite merciful. May this maternal spirit that I have been building in you, may this Love that springs from Me to each one of you not be lost, not depart from you, but rather, may it nurture your souls through your honest prayer.

When much time has passed, when I am no longer here among you, My dear children, you will see the action of My Message unfold in your lives in this part of the world, and you will remember, from your hearts, everything I have poured out for the love for you.

Be consistent with what you have received; you should give testimony of this before humanity and before God. For this reason, remember these moments well, because My Light comes to be engraved within your cells.

If you open your hearts, your lives will change. Give me the keys you keep inside yourselves so that, as a Mother, I may prepare the dwelling of My Son and tirelessly teach you to walk in faith, to live in My Celestial Hope and to believe in My Presence in these times.

Just as I am in Medjugorje and in other parts of the world, today I am here again to contemplate you, and I will not tire until all souls may experience salvation. This was the first promise I made before God and, through the Grace of My Immaculate Spirit, you are partakers of My Message.

You must give testimony of what you feel and live, so that Christ may reflect in your eyes. Live Mercy in this final time.

And today, dear children, I remind you of all these precepts, these maternal precepts of My Heart, because through My Spirit I am pouring out what I have learned.

What greater Grace is there for your lives than to live in the strength of My Love, to feel the warmth of My Immaculate Heart, to be able to fully embrace your souls and offer them to drink from the Fountain of the Father, taking you all in My Arms of Love?

May your souls definitively meet My Son. Console the Heart of My Son because It is still in pain.

If you pray and intercede for this reparation, you will be crying out to God, calling at the gates of Heaven so that the angels of the Father may assist souls in this time.

The hells have not yet been closed. Many are condemning themselves because of modernity. The lack of fasting and the lack of penance increases every day, and even more so is the lack of prayer of the heart.

For this reason, dear children, I come from Heaven to pour out the strength of My Peace and My Love, opening new paths in your lives, because at the end of that path you will find My Son, Who awaits you,

As a Mediator before God, I am praying for your conversion, for your redemption, so that you may reach Mercy. And I say this for you and for all My children in the world.

I also address this same call to prayer to Mirjana and Iván, in honor of conversion.

I thank you for responding to My call, dear children.

Elevate your eyes to My Heart and remain there eternally.

I love you and I thank you.

Friar Elías del Sagrado Corazón de Jesús:

Bidding farewell to Our Lady with the bell strokes, let us sing "Magnificat."

Song: "Magnificat."

Mother María Shimani de Montserrat:

Well, let us do a brief explanation of what happened during the work.

As you all know, when we gather a group of praying beings as this one today, the Angelic and Archangelic Hierarchy takes advantage of this moment to carry out an important task at a planetary level.

And today, more than that, the Presence of Christ was very important in this task that the hosts of Light were carrying out.

As we all know, our planet needs a lot of assistance, and our devotion and our fervor contributed very much; because in this way, we cried out for these souls.

The act of praying with fervor, kneeling down in humility, creates a very important condition. And when many beings are conscious of this reverence and of this love that we must have for Christ and for our Mother, the gates of Heaven open wide and many souls are helped and taken out of some places where they are. For this reason, it is very important to always be willing to position ourselves ready to assist the entire humanity.

We have felt that the Mother is approaching us more and more each day, and we are also noticing, I believe you are too, that She is making us important promises for our consciousness.

Today She said something very important in Her Message, that She had received a Grace from the Creator for those consciousnesses who had said yes, who were being consecrated to Her Immaculate Heart and the Heart of Christ, that She had been given permission to take them to the Kingdom of Heaven.

We need to deeply meditate on what it means for all of us. And if we truly put it in our hearts, we would say goodbye to fear definitively.

Let us try to take one more step and be willing to give this yes, to be permanently in the Arms of Our Lady and then be able to transmit to others what salvation truly is.

Many thanks to all, may you have a good night.
