**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

First of all, dear children, I want to thank all of this Marian group for your sincere dedication, especially in the last few hours, during the trip from the city of Montevideo to Brazil.

To all My other children, today I want to give you this example, the example of the constant selfless giving, which you can understand as the Will of the Lord.

Therefore, dear children, I invite you to walk by means of prayer in the Purpose of God because this Purpose is a celestial idea that the Father plans for the soul that decides to be in the arms of the Creator in order to be accompanied and guided throughout eternity.

My children, as Pilgrim Mother who has been following humanity step by step in this world for many centuries, today I invite you to imitate the path of the pilgrim so that the Love of God may be revealed in your life. A pilgrim who is consecrated to My Immaculate Heart is a soul dedicated to a life of prayer for the world. A pilgrim who is consecrated to the Sacred Heart of Jesus is a spirit in harmony at the feet of the Redeemer. A pilgrim who is consecrated to God is a complete soul, willing to stop living its own will and to remain in the unknown, in Heaven.

Dear children, through the prayer of the heart every day your souls can consecrate themselves to the Will of God. As humanity, this will allow you to find the peace that is lacking in the lives of many of My children. In this way you will find the essence of the true Love of God in your hearts because the soul that prays through the voice of its heart is living in the Love of the Father.

Today I thank all the brave ones for responding to My call, and in the Blessing of Jesus, the Only Son, I give you My Peace.

Thank you for responding to My requests.

Mary, Mother of the Divine Conception of the Trinity
