**WEEKLY MESSAGE OF CHRIST JESUS TRANSMITTED AT THE LIGHT-COMMUNITY OF FLOWER OF THE SACRED TEPUI OF RORAIMA, BOA VISTA, RORAIMA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

While there is a soul that is weeping, in the anguish of their suffering, I ask you: do not tire of crying out and interceding for the world.

While there are wounds unjustly opened and innocent blood shed, I ask you: do not tire of crying out and interceding for the world.

While there is illness, loneliness and degradation of life, I ask you: do not tire of crying out and interceding for the world.

While there is indifference, ignorance, hearts empty of God and full of themselves, I ask you: do not tire of crying out and interceding for the world.

While there are souls torn from their mothers' wombs, without having had the opportunity to feel the breath of the gift of life on their faces, I ask you: do not tire of crying out and interceding for the world.

While there are abysses of darkness and of suffering, in which hearts are consumed by evil and self-condemnation, I ask you: do not tire of crying out and interceding for the world.

Even if the answer from the Heavens is not the one you were expecting, even if the Lord remains silent before your supplications, even if you walk on deserts that seem endless, I ask you: do not tire of crying out and interceding for the world.

Clamor and intercession open the ways to God and, you will often not be aware of the results of this prayer.

You will not see souls returning to the Creator, you will not see spirits being removed from abysses, you will not see the consciousness of nature being rescued from its suffering. You will not see, children, what you so much want to see and feel, but it is there, in this mystery that the gift of faith is born and develops.

A heart that cries out and intercedes with faith creates bridges to the Heart of the Father and repairs, little by little, the outraged Heart of the Creator. Therefore, today I only ask you to just cry out and cry out, pray and intercede for the world, in the face of every situation that afflicts and wounds you, anguishes and spiritually mistreats you.

This is how you will open the door to the Lord.

This is how you will build the path upon which My Feet will walk.

This is how I will be able to show My Father that the souls of the world are rescuable and worthy of Grace and Mercy, because despite the darkness behind what is old and sometimes rotten, hidden in

the deepest abysses of a being, there dwells its essence, its Light.

Therefore, cry out and intercede for the world and, as you do it, My Feet traverse the Earth and My Mercy reaches those souls that must now return to My Heart.

For your perseverance, and for the sprouting of your faith, I thank you.

Your Master and Lord,

Christ Jesus
