WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITED AT THE LIGHT-COMMUNITY FLOR OF THE SACRED TEPUI OF RORAIMA, BOA VISTA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Give Me your tiredness and your deepest afflictions.

Give Me what anguishes your spirit and what takes away hope from your heart.

Give Me the souls that you carry in prayer in your chest.

Give Me the most hidden situations that you have not been able to liberate.

Give Me the most deep-seated sins that your heart still stubbornly falls into.

Give Me what you are and what you carry with you.

Give Me your being and your aspirations, your ideas and intentions, what you call your dreams and life goals.

Give Me everything and I will give you everything.

I offer you the strength of Cross, attained by My Heart, the strength that endured the agony, the loneliness, the lies, the abandonment, the betrayal. The strength that overcame the human condition, surpassed human and Divine Love, transcended the miseries and abysses, the material and spiritual pains, the wounds in body and soul.

Give Me what you are and I will give you what I Am, so that, by finding a dwelling in your heart, I may multiply My Presence in Creation, I may multiply life in life and give meaning to all existence through My triumph in you.

My Arms are open, My Heart has become a door, and for you to enter you just need to leave at My Feet all that you are and come to be in Me.

Meditate on this mystery of surrender, because in this end of times, the only thing that I will ask of you is to be surrendered, just as the Son of Man was surrendered from the agony to the Cross.

Come with Me, come into Me. I will do for you.

Your Master and Lord,

Christ Jesus
