APPARITION OF THE VIRGIN MARY IN CAMBORIÚ, SANTA CATARINA, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Dear children, My Heart gives thanks for the presence of each one of your hearts. I contemplate each one of My little children, some of whom perceive Me for the first time.

Dear children, I come to bring you My Peace, and relieve the Heart of My Son Jesus through the conversion of your hearts.

My dear ones, I need the sincere prayer of each one of you, day after day. Descending to Earth, My Heart still finds much suffering; many souls await your prayer. My Immaculate Heart needs the intervention of each one of you.

Dear children, My Heart also knows your hearts, and it knows the tests that each one is going through at this moment. I welcome into My Heart the pain that each of you feels.

Dear children, offer your pain to the Heart of My Son, Jesus. Empty your hearts through humility, so that My Son may convert your hearts into meek hearts, strong hearts, peacemaking hearts for this end of time.

My Immaculate Heart needs pillars to pour out My Peace, soldiers of Light to take My Peace to everyone.

I need each one of you to open your heart, so My Love can reach those who do not perceive Me or hear Me.

Dear children, I need your hearts to live fraternal charity, unity among all of you, because it is through this unity that the path for My Son's Return will be built.

Unity will build meekness in the heart of each one of you.

Therefore, today I ask you to be humble and simple, to receive My Love without creating barriers between My Heart and your heart.

Fray Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I need you to consecrate the path of the New Humanity.

By the Grace of God, dear children, I descend from Heaven once again. I know that your intellect will not understand it, but your hearts will. This is truly a Work of God for the end of times.

When I come from Heaven, I come to share My Peace with you. Peace is fading in the heart of many men and women; this is why I am here. If there is no peace, dear children, there is no love.

Today I am bringing you the Eucharistic Heart of My Son, so you may always remember to adore It and consecrate It in your lives.

My Son wishes to continue pouring out His Mercy, but if souls do not believe in My Message, His Justice may come.

I have been proclaiming My Words in Medjugorje for a long time and, by the Grace of God, I am here among you once again. God has granted Me the Grace to make Apparitions in both cities, bringing a Message of renewal to each one of My children.

When you allow yourselves to open up to My Immaculate Heart, the Grace of healing will be fulfilled, and the sorrows in your heart will dissolve. You will be reborn as new families consecrated to God; because today, dear children, I invite you to consecrate yourselves as the Holy Family.

In the adoration of the Eucharistic Heart, you will find the signs for the new times.

You know, My children, that I have spoken to you about the time of change. That time is coming in the life of each one of you, because, for God, His children must stop doing certain things, must forgive the past completely, and must be born in the Light of Christ, My Son.

Remember that I invited you a few days ago to Confession, as well. This Confession must come from your heart. You can count on the help of all the priests consecrated to My Son, because My Son is present in Confession.

Dear children, in the face of so much evil in the world, I am inviting you to pray from the heart and confess from the heart. It is necessary that your hearts be crystal clear before God, so that the Light of the Holy Spirit may reach the Earth.

You, dear children, must allow this exercise of conversion. It is no longer the moment, dear children, to live in a time of normalcy. It is necessary that you enter into My Heart, so as to attain peace, the peace that was promised to the Earth long ago. But My children must change and be able to walk towards the Light.

You can count on each of the Sacraments that I am revealing to you today. You must live the renewal of your conscience in these Sacraments. It is not the time to judge these Sacraments, but to live them with the heart.

The Sacraments that My Son left you are doors to Paradise. And today, in the name of the Heart of My Son, I bring you together, so you may know, My children, that the Kingdom of Heaven is for everyone.

I have been waiting for this moment to tell you that I Am the Mother of Humanity, and I must reach the most confused hearts, those hearts that have distanced themselves from the Love of the Father. This is why today I am here, as well as in Medjugorje, traveling to every corner of this Earth to bring salvation and Mercy to My children.

Dear children, if, indeed, you manage to live in fraternity, you will truly experience the Return of My Son, and your hearts will be ready to receive Him and perceive Him.

What I want most for you, My children, is your salvation, and, if your hearts live in My humility, you will recognize everything you must ask God's forgiveness for. The Grace of conversion is available to everyone. I call you to conversion, redemption, and the possibility of being reborn within the Heart of My Son.

Now, dear children, do you understand the importance of prayer and the Sacraments? The priestly ministry that My Son left behind is for all humanity, a humanity that, in this time, must prepare itself more and more to find the Light in all situations of life, and above all else, My dear children, to be in the Love of God.

Today, I especially bless this city of Camboriú, and the beads of My Rosary are spread all across this region, so the flowers of the new time may open up, and the new Light may manifest in the hearts of My children, the very light in which I live eternally, and which I want My children to experience while they are here on Earth.

Bow down in reverence to God through the love of your hearts, because, in this definitive time, dear children, He is watching you step by step, and He sends Me as a mediator to teach you and help you. You can count on the Light of My Maternal Heart.

Under the Peace and Light of the Holy Spirit, dear children, I bless you tonight.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Thank you for responding to My call and being reborn, once again, to life.

Madre María Shimani de Montserrat:

Let us send all of our love and gratitude to our Mother.

Song: "Ave Maria" (instrumental).

As our Mother requested of us a few Apparitions ago, let us reflect upon what has happened today.

Today, in Her daily message, the Mother made a call to unity among all prayer groups in this region, and She placed a lot of emphasis on dissolving those situations that do not allow for this integration and this unity. She seriously called us to fraternity, and she also gave us a great lesson about the process of fasting.

So, we must keep these guidelines clear in our being, because it is a direct request from Her.

Every time we cannot accomplish these things, we must know that it is to Her that we must answer. The most important thing is that we make, at least, a small effort, and that this effort be sincere.

We need to live this fraternity, which is so important in this time, and being fraternal means accepting others as they are.

During the prayer, the angelic armies carried out a great task in Camburiú, and our Mother revealed that this task has not ended yet. Therefore, She asked us if we would like to continue collaborating with this task that needs to continue in this city.

We told Her 'yes', and She indicated that tomorrow at 8 pm She would appear again to continue the task that She needs to do.

And, as She had done in recent Apparitions in different countries, She asks to enter the house of a collaborator, a prayerful being, who offers their house to all those who would like to participate. Therefore, if this place becomes available, we will post the address on the website tonight.

These tasks that the Mother carries out with the Hosts of Light, with the angels, we will probably only be able to understand when we are there, with Her.

Another important thing is that She invited us to participate in the Holy Sacraments, and one of the things She has wished to convey lately, is that we trust the priests of Christ, because He is there.

When we open ourselves to Confession, first, we carry out a work within ourselves through profound humility, something that is good for everyone; and then, with this attitude, we repair the Heart of Our Lord. There are actions that we must do out of love for Him. We must learn to have attitudes that repair His Heart and do so simply out of love for Him.

These are the reflections we wanted to leave you with today.

She also spoke about adoring the Eucharistic Heart of Jesus. It is something we need to put into practice, we need to accomplish, because these are gifts that Our Lord left for us all.

We need to learn how to adore the Eucharistic Heart of Jesus, because our Mother has given us the keys to our salvation in these spiritual exercises. Those who have never adored the Eucharistic Heart of Jesus are invited to do so, to place themselves before the Monstrance of Light, in silence, and surrender their heart to Our Lord.

Tomorrow we will go deeper into this task that Our Mother wishes to carry out in this city. And the day after tomorrow, we will have our meeting in Florianópolis at the same time as today.

The important thing in this task is that our Mother surprises us every day with something new, and every time we want to leave a place, She asks us to stay, and this brings us much joy, because we know that many souls are being activated and united to Her Heart.

Therefore, we will see you tomorrow.

Many thanks to all for having participated and we hope that the Love of our Mother has reached your hearts.
