**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

While the world and humanity define their path towards the eternity of God, the time of Divine Justice approaches to reverse all the causes that have been generated in this humanity.

Therefore, dear children, in these times of emergency, I call you all to be peacemakers and propagators of the Purpose of God on Earth. In this way and through the prayer of the heart, there will be more time for Mercy to continue to work in the hearts of all My children.

As the Mother of Divine Justice, I ask you, dear children, that you do not waste time and that you open your hearts because, just as in Medjugorje, these are My last warnings so that the consciousnesses of all My children may reflect and awaken to the reality of this time.

Dear children, do not see Justice as a punishment. The Divine Justice will put in order that which humankind has deviated from the Will of God.

Therefore, little children, pray, pray and only pray! So that the Love of God may touch all My children. Know that your honest and sincere prayer from the heart will define, as it was in Fatima, the next path of humanity.

As Mediator, I ask that your praying voices help humanity, placing each one of your supplications at the feet of the Creator.

Dear children, My Son Jesus is a great mediator. Therefore, unite your souls to the will of My Son so that your hearts may find a true guidance. In Jesus you will resurrect to life. In Jesus you will remedy the pain of the past. In Christ you will follow the pathway of Mercy and Redemption.

Do not feel fear because today I am among you and with all the hearts of the world, calling you to pray for the peace and the conversion of all this humanity.

Redeem, through forgiveness, all the past and, in joy, together with My Son, quench your thirst for love. Be responsive to each other because for the end of this cycle in the world, the time has come to manifest the sacred teachings that My Son left you:

- To love is to forgive
- To give is to surrender
- To trust is to live in faith.

I thank you for responding to My call on this day! Mary, Mother of the Divine Conception of the Trinity

The Virgin Mary continues the transmission saying:

My children, I have seen and I have considered, within My Plan of Love, that for the times of emergency, My Voice must go on, echoing in the hearts that still do not hear Me. This is why, from today on, all the monthly apparitions will be public and open to everyone so that My message may

reverberate in the consciousnesses.
