**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??**

While your lives get to know the aspects of transformation, the prayer of the heart makes you each day freer of yourselves, without leaving behind the sacred opportunity of being purified.

Dear children, the change in the consciousness will become more and more concrete along the course of your redemption before the Kingdom of My Son. If you think that you will not manage to do it, you will lose the hope that in truth your consciousnesses are already something else.

You cannot evolve remaining always in the same place, spiritually stuck; whoever lives prayer as a guideline begins to know himself and the others, still realizing that the sacred purpose comes and descends for all hearts.

When once and for all you, My children, let Christ conquer your lives and your hearts, you will no longer have to think about anything else, because in truth it will be Christ who will have a repose in your interiors

In order for Jesus to have a place in your lives, the inner house must be clean and tidy and all that is no longer useful must be removed. Dear children, why do you resist?

You will have nothing to lose, your happiness lies in the Heart of the Celestial Father, the one who all the time is forgotten by the souls of the world.

A Great Spirit comes to help you in this time, a powerful flame comes to enlighten your paths: it is Jesus Christ, Your Lord, who arrives at this world in Divinity and Soul to get you out of prison and open the doors to the Love of God.

Follow Him blindly and trust, your surrender has just started and there is still much to do, your healing is near.

I thank you for answering My call!

Who unites you to the Heart of the Son of God,

Your Mother Mary, Rose of Peace
