**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???**

Dearest children of Mine,

May on this day, your voices and the voices of all of the praying beings of the world proclaim the Love of God and the coming of His Glorious Kingdom of Mercy upon the reality of this world.

Dear children, today My maternal request is that you fulfill the Designs of the Celestial Father in your little lives so that soon all the evil generated by the world may end and the redemption and the reconciliation among humans and God be established.

Dear children, may, today, your voices pray united to the great voice of My Son, that pronounces itself on this holy day in order to remove evil from some places of the Earth. With courage and love, dear children, open the doors of your hearts so that the expected change in your lives may be materialized in these times.

Beloved children, Your Heavenly Mother is working extensively so that the souls may go through the pathway of the new life, that which Christ will bring to this lost planet. The voice of your prayers must not stop now and neither the loving offer that the groups from the Network of Light provide Me in these times of crisis. I expect from everyone, the best achievements in the life of prayer.

Children, there is no other path but only the prayer of every day; a prayer that will keep you firm and safe on the Christic path, even in the moment of your purification. I help you all to walk in the Faith and in the Love of My Son, this will always encourage you to find Light on your paths.

I thank you for answering to My call!

Who unites you to the fount of the Universe of Prayer,

Your Mother Mary, Rose of Peace
