DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

The times of the great and struggled sacrifices have come to this world; this is part of the Divine Justice because the imbalance of the souls and the injustice of the hearts are greater than the harmony that is required.

Dear children, the souls that have not implored to God and neither have implored for His Kingdom for having remained in the superficiality of the material and illusory life will suffer and there will not be anything that may comfort them because the message of Heaven has already been proclaimed, and few paid attention to the words of light of the Divine Messengers.

There will not be anyone who may reverse this; the blindness of humanity is great and sometimes you feel like being blind and deaf. But the victory of the Kingdom of God will happen in all of the hearts that, by being obedient and consistent, will repopulate the New Earth.

This new cycle will demand, from the hearts that are distant from God, an extreme effort in order to remain in Peace; it will be different for a soul that truly prays and without awards because from it will spring the source of Peace.

For this, there is no time to lose with little things; many of you are being trained through My Heart for the end of the times. Let us pray for those who do not want to listen to God, for the non-believers so that their hearts may open to the descent of the celestial Light.

I thank you for answering to My call!

Who awakens you to the planetary reality,

Your Mother Mary, Rose of Peace
