**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Under any circumstance of life, remember, dear son, dear daughter, that I am the Celestial and Universal Mother. I am the Queen of Peace and the Guardian of Faith in all hearts.

This is why, My children, today I invite you to contemplate My Immaculate Heart, the Sacred Heart of Jesus, and the Most Chaste Heart of Joseph, so that your lives may rise up as flames of peace at the feet of the Creator.

Dear children, the devotion to these three Hearts will protect you from all evil, will prepare you as souls, will alleviate you from every pain, and you will always find in Them the Eternal Light for your hearts.

Today I call you to strengthen the devotion of the heart, not only for life, but also for your pure essence, that, at the end of everything, must reach eternity.

Little children, lovingly consider these three Sacred and Immaculate Hearts of Peace, Love and Unity as a guide, because thus the consciousness of all My children will be redirected towards Love and Redemption.

You, as instruments of the Creator, of Life and of the Only Existence, are called to repair these three Hearts, because an act of love to the neighbor, a sincere and true prayer and an action of peace and charity will repair the offenses that these three Hearts receive from many souls that, in ignorance, lose themselves on the path towards the Light of God.

For this reason, dear children, as the Mother, Help of the believers and of the non-believers (*), of those united with God and those distant from God, of devotees and of the incredulous, I ask you to pray so that in this way, under the action of the Grace of the Holy Spirit, each soul and all of humanity may awaken and find the true Will of God, the love and the total forgiveness of all causes.

Today, My dear children, I call you to wake up, with bravery, from this time of apparent normality so that your hearts, united to Christ, King of the Universe, may act as Light on the planet, as relief of pain, as shelter for the great number of souls that walk without guidance in this world.

My children, it is time to collaborate from heart to heart, and from soul to soul, so that the Kingdom of God may have its streams on Earth.

With prayer, you have the decision in your hands. I thank you for responding to My call!

Mary, Mother of the Divine Conception of the Trinity
