DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS????

Throughout the history of humanity, few were the hearts that opened themselves to discover the truth of the superior life, because humility has always been an attribute very rarely found in the human heart.

So it was that many preferred to believe that there was nothing beyond their own existence and even God was a myth for these hearts, such were their ignorance, their pride and their arrogance. And, often, the few who managed to find a ray of light of this great Sun, which is God, fell in the pride and in the ignorance of believing themselves knowledgeable of all truths. So great was the pride of these beings that they separated themselves from God, believing that they were fully living within His Heart.

It is for this reason that today the Divine Messengers come to speak to the humble, the meek and the simple ones. It is for this reason that we have approached you, talking to you as if we were talking to little children, because you should be like this in order to be before the teaching that we would bring in the end of times.

The arrogant believed that they already knew everything that we were telling them and did not realize that they could know the path, but - arriving at the doors of Heaven - they would not have the keys to open them, because humility is the master key that unites the hearts to God.

Understand that without humility you will never be able to follow the Plans of God, because only a humble heart can follow indications that it does not understand, that it does not accept and that, sometimes, go against everything that it has always believed.

Now that many have already been faithful to the celestial indications, you might start to understand some truths, and the puzzle will begin to be assembled before your eyes in order that you may strengthen, thus, your trust in God. Because larger tests of faith will come to your lives and the small tests that you have experienced until today will prepare you for the days that will come.

Never forget that you must be like children, that you can never lose the spirit of humility, because thus we will be able to reveal to you great mysteries of this Divine Creation.

I love you and I bless you always.

The Most Chaste Saint Joseph
