DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear favorite children,

How much joy feels My Maternal Heart, how much gladness and gratitude My Holy spirit receives by seeing you reunited in this house of Mine, a house of prayer for the spiritual world of My consecrated children.

United in My universal oratory, the Lord is able to intercede for the seriously mistaken souls that neither listen to their hearts nor listen to God.

Dear children, through your daily offer, as the Queen of Peace, I can help the world, mainly the most little ones in the East, those which day by day despair for the lack of paternity and care.

Today I come from Heaven to ask you to adopt a child in your prayers, to pray for a child of the East as if they were your child or your brother or sister. So if each one of you adopts a little child in your prayers, you will help Your Heavenly Mother to be able to intercede and to carry all children in Her arms of peace and maternity.

What makes this world to darken is the lack of love and charity, for this, children, I come to teach you and remind you the Plan of God, which is forgotten and replaced by the modernities of the world.

From My Maternal Spirit I come to gestate in your beings a new gift, the gift of peace and meekness, something that humanity does not live completely. With you hearts peaceful and meek many calamities may be avoided and it will not be necessary to learn through sorrow.

Children, with the spiritual adoption of a child of the Middle East in your daily prayers, you will allow the guardian angels to intercede for the loneliness and outrage that My most little children suffer.

I wish you will please My Heart with this act of love, in this way you will also make My Immaculate Heart triumph!

I thank you, My children, for cooperating with My call for Peace!

Who loves you and reunites you always,

Your Mother Mary, Rose of Peace
