### **DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF FIGUEIRA, TO THE CITY OF SAO PAULO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??**

Dear children,

In times without peace, may your deepest desire be to do all that is possible so that the spiritual Peace that comes from God may be expressed in your lives.

Every day, through the effort of living the prayer of the heart and of being the living prayer, you will manage to reflect that which your Celestial Father so much expects.

Dear children, open the way so that Peace may always reign, like a torch of light that is never extinguished. In the time of your purification you will live inner encounters with peace, and it will be able to be reflected to all of the planetary life.

Children of Mine, be the messengers of peace by means of your good deeds, because the majority of the souls lose themselves for not being able to find the path of peace that I have been showing you and teaching you.

I thank you for answering to My proposal of peacemaking!

Who finds you in the Source of Peace,

You Mother Mary, Rose of Peace
