DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

On the sacred day of Corpus Christi I descend to the world to remind you that you must adore the Son of God by means of the Most Holy Sacrament that is offered by all of the priests, My favorite children in the world.

On this day on which the Sacred Blood and the Glorious Body of Christ are venerated by humanity, I invite all of those who do not live in Christ to make a decision to do it so that, absolved by His Mercy, they may find again the Kingdom of God in their interior.

See My Son: glorious, humble and poor in the Eucharist; visit Him and talk to Him about all that which anguishes your little hearts. Within the holy mystery of the Eucharist is found the Science of God, that which can convert your lives and arrogances by the simple act of confessing and communing from the Body and the Blood of Christ.

Today is a day of feast in the Heavens, the Redeemer surrenders Himself again out of love for you, this time through the Holy Eucharist. Blessed are those who today commune in gratitude because their consciousnesses will receive the Grace of a life redeemed in Christ. Your steps will determine your next path.

I thank you for answering to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
