DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

May the doors of your heart open themselves today so that you may recognize the most valuable thing that God has kept inside of your being.

May your only principle be to find peace, so that in the culminating hour of the purification of the Earth, all of My children be the simple reflection of a life transformed by the sublime fire of prayer.

May repentance be the mission of each soul and each life, because that will be the path that will be opened for the salvation and rescue of other lost beings.

May the goal be to seek the fidelity to God, so that this deep feeling of union with the Father permits to open the last doors of Mercy for the world.

May the purpose of your prayers be to help to convert the conciseness of the world, so that in this way your Heavenly Mother may continue working through humility and the service of all of Her children. Thus, Her Immaculate and Pure Spirit will fill even the last particle of life in your beings, and then you will feel the joy of living in the name of the Holy Spirit.

Work without delay for your conversion in order to reach the infinite path of redemption and healing.

I leave for My children the holy light of My Heart, so that encouraged by My Grace, you may be immediate collaborators of the Plan of Rescue for these times. My Love is poured over the hearts that are receptive to prayer.

I thank you for answering to My call!

Who loves you and cares for you,

Your Mother May, Rose of Peace
