DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

I will not ask that in a short time you be different from what you are today. For the Father, your time of purification and ascension is set.

Therefore, allow yourselves to be transformed as your Father has foreseen since the beginning.

Live in Christ and be in Christ because the only path that is left for you to traverse is the path of redemption.

If you are not united, how will you continue?

Grace has touched your lives but you must be consistent with this Grace that unifies you and renews you all the time.

Dear children, be with Me and not on the other side of the path. I need you always faithful to those who guide you out of love; this will protect you while you are on Earth.

Obedience is the gift that will fulfill you and will prevent you, all the time, from making mistakes.

Therefore, children, may you be able to observe the true path in these times, because discouragements and inner crises will be the barriers that you must overcome through love and unity.

At the doors of the human Armageddon be aware and grateful for what you receive, at least live it for those who do not receive even half of all that the Universe gives you.

Submerge yourselves in My Heart and thus you will be free.

I thank you for answering to My call!

Who unites you,

Your Mother Mary, Rose of Peace
