**SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?**

Dear children,

As Your Mother from Heaven, I am pure and worthy of living eternally in your hearts, because it will be by means of the sacred invocation of My holy name that you will be able to heal yourselves from any sorrow and suffering.

Today I am present in two sacred places of healing for the souls in need of the Mercy of God. Today I am here with you in the Sacred House Brother Pio and I am also in the Sacred House of healing for humanity in Aurora. In this way Your Heavenly Mother unites through the real time of God these two places, so that you may remember that Your Healing and Co-redeeming Mother has a special predilection for these sacred precincts, totally donated to the souls that seek the true reconciliation with God.

As Your Healing Mother, I approach to you many souls and essences that in these times will need the rehabilitation of heart and life. If the heart is not rehabilitated through faith and through prayer, how, dear children, will the deep healing of the heart happen?

For this, from the beginning of this work, the Sacred House Brother Pio and the Spiritual Healing Center of Aurora have been manifestations of the Divine Will to shelter and help in the redemption of a part of humanity. Someday thousands of people will knock on your doors, to ask for help, retreat, healing and liberation, for this your Heavenly Mother has been preparing you for when this time comes, a time that will be signed by the purification of the Earth.

In these two houses of healing I designated the presence of angels from celestial universes far from the Earth, so that they may guard and protect this sacred project. Through the instruction that you have received for over thirty years, you have been formed to, in this time, assume this sacred task, which will not only focus on procedures that may produce relief, but rather, your true medicine, My children, will always be love.

A Love of God that will rebuild lives and liberate faults. A Love that will close the doors to evil. A Love that will relieve the soul that may be condemned and captive for so long. For this, Saint Pio, Your Spiritual Brother, is who will always inspire you and show you the path, here in Figueira as in Aurora. After fifty years of stigmas and surrendering, Saint Pio, as healer of souls and hearts, has prepared himself to accompany you in this last time of transition.

Beloved children, you count on a precious spiritual help; in this way once again My Immaculate Heart will triumph in your lives and in the life of those most in need of love. Remember, children, love will always be the master key that will heal the wounded spirit.

I thank you for answering to My call!

Who unites you to the Source of Universal Healing,

---

Your Mother Mary, Rose of Peace
