DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM VILLA SERRANA, MINAS, LAVALLEJA TO MANANTIALES, MALDONADO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Liberate your heart from every offense, seek the reconciliation with God every day. Drink from the Source of Christ, the one that will quench your thirst. Confess your faults, do not fear to tell them because you will not be judged.

You live in a time of adversity and opposition; make your heart and your feeling transparent, in this way you will receive the cure for all ills. Keep alive your aspiration to transform yourself, I can help you to straighten your paths.

Be free from yourself, may your difficulties not hurt you, the time of redemption will arrive to everyone.

Meanwhile, pray with the heart and abandon yourself in Me; I can build the new in all that is purified. I have a written promise for you, get to know your strengths rather than your potentials. Get to know yourself more than you know the others.

Record in your memory My holy image, I am the Queen of the Stars, I am the Mother of the sinners. Whoever comes to Me, will not regret; I have the authority to liberate you, and also to give you the Love of God.

Patience is the flame that never goes out, it is the incandescent glow that ignites everything. Unite with My Heart and some day you will see written in the Universe the day of your redemption. Encourage yourself to follow Me in spite of everything.

I am your Mother and I want the best for you. Today I absolve you.

I thank you for answering to My call!

Who delivers you to the arms of the Celestial Father,

Your Mother Mary, Rose of the Peace
