DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

The path of total consecration to God is what your Heavenly Mother aspires for you all.

According to this aspiration and in these times, many souls will go through the test that will confirm the chosen path, and I will be there to help you to make the right internal decision without feeling guilty, but only the love of God.

Children, the saint of the last days will be present to help you on the culminating time of the transition of the Earth when the red moon defines the awakening of a new cycle, liberating from the sin and from the errors.

For this reason the challenges and the tests will be the tone that will mark the beginning of this new cycle, free from sorrow and from human suffering. That is why on this day I bring you the divine consciousness of the universal consecration, a mission that will be for many of My children, the ones that will push the heavy boat of this world so that you may definitely navigate in the sea of Grace and Mercy.

Your structures will move and all the dark control will stop governing so that once and for all everyone may be in Jesus, and Jesus may be forever in you.

Children, grant permission so that My Son governs your lives; in that way no other governor or aspect of your own non-purified lives will be able have determination in the spiritual lives of your souls.

For this, be meek and let My Son conquer you little by little so that He, in His Infinite Glory, may have the instruments to developed the last part of the Plan of God.

Look at your sins as instruction and opportunity for transformation and interior change; in that way when My Son has taken over the kingdom of your lives all the receptive souls will be sanctified.

I thank you for answering to My call!

Who leads you to love the consecration,

Your Mother Mary, Rose of Peace
